

WHERE TO EAT

Dobratsch & Wörthersee Region

The Carinthia region offers a rich Austrian culinary tradition influenced by Alpine, Italian and Slovenian cuisine. Austrian cuisine is especially known for its desserts. During the event weekend we recommend trying Kaiserschmarrn, Apfelstrudel and especially Marillenknödel, traditional apricot dumplings typical of Carinthia. All restaurants below are family-friendly, easy to reach and ideal during the Everesting weekend.

Traditional Austrian cuisine also includes many naturally gluten-free meals based on meat, potatoes, soups and salads. We recommend informing the restaurant staff about any allergies or intolerances when ordering.
