

FAMILY ACTIVITIES

Everesting World Championship

Families travelling to the Everesting World Championship will discover that Mount Etna is only the beginning. Within approximately 15 to 90 minutes from Linguaglossa, eastern Sicily offers volcanic landscapes, medieval villages, beautiful beaches, renowned wineries and unforgettable cultural experiences. Whether you're travelling with children or simply extending your stay, these destinations are perfect for half-day or full-day excursions.

Around Mount Etna

Mount Etna is much more than Europe's highest active volcano. Its northern slopes offer lava fields, forests, scenic viewpoints and accessible walking trails in one of Sicily's most extraordinary natural settings.
